Gulliver's Travels is an adventure story (in reality, a misadventure story) involving several voyages of Lemuel Gulliver, a ship's surgeon, who, because of a series of mishaps en route to recognized ports, ends up, instead, on several unknown islands living with people and animals of unusual sizes, behaviors, and philosophies, but who, after each adventure, is somehow able to return to his home in England where he recovers from these unusual experiences and then sets out again on a new voyage.

Gulliver's Travels - CliffsNotes

The novel begins with Lemuel Gulliver recounting the story of his life, beginning with his family history. He is born to a family in Nottinghamshire, the third of five sons. Although he studies at Cambridge as a teenager, his family is too poor to keep him there, so he is sent to London to be a surgeon's apprentice.

Gulliver's Travels: Part I, Chapter I | SparkNotes

Gulliver's Travels recounts the story of Lemuel Gulliver, a practical-minded Englishman trained as a surgeon who takes to the seas when his business fails. In a deadpan first-person narrative that rarely shows any signs of self-reflection or deep emotional response, Gulliver narrates the adventures that befall him on these travels.

Gulliver's Travels Introduction You might have heard people call Gulliver's Travels a satire. A satire is a (generally funny) fictional work that uses sarcasm and irony to poke fun at the general patheticness of humanity – our weakness, our stupidity, all that jazz. Some of our favorite satires include The Onion and The Daily Show.

Gulliver's Travels Introduction | Shmoop

Gulliver goes on four separate voyages in Gulliver's Travels. Each journey is preceded by a storm. All four voyages bring new perspectives to Gulliver's life and new opportunities for satirizing the ways of England. The first voyage is to Lilliput, where Gulliver is huge and the Lilliputians are small.
