Reading this book made me realise all over again just why I love Julia London. I read and enjoyed Material Girl, the first of the Lear Sister trilogy, about a month ago but I think this one got to me more. I love the character development through the book as Rebecca finds her inner self, ably helped by the hunky Matt.

The "Lear Family" trilogy, which consists of Material Girl, Beauty Queen, and Miss Fortune, features Rachel, Robin, and Rebecca, the three daughters of a dying billionaire. Ill-suited for adult life because of their parents' neglect, the young women try to cope with their work, school, and love lives after their father's death, with each book in the trilogy focusing on a different daughter.
