The drive is the same for all 2.5l drives (175, 200, 240). The impeller of the 175 is different. The 175 HP Sportjet uses a 3 blade impeller, where as the 200 and 240 HP models use a 4 blade impeller. I have not seen a 250 HP drive but assume it is similar. The pictures were taken of a Harbercraft 1975XL-200.
