Librivox.org is a dream come true for audiobook lovers. All the books here are absolutely free, which is good news for those of us who have had to pony up ridiculously high fees for substandard audiobooks. Librivox has many volunteers that work to release quality recordings of classic books, all free for anyone to download. If you've been looking for a great place to find free audio books, Librivox is a good place to start.

### The Blazing World And Other

Story. As its full title suggests, Blazing World is a fanciful depiction of a satirical, utopian kingdom in another world (with different stars in the sky) that can be reached via the North Pole.According to novelist Steven H. Propp, it is "the only known work of utopian fiction by a woman in the 17th century, as well as an example of what we now call 'proto-science fiction' — although it is ...
