The Wonder Spot by Melissa Bank - Goodreads

The Wonder Spot reads like background for a more compelling story. It is so well written that the reader takes for granted that the point of the story will become evident at any moment. It seems always to be on the horizon. When one story finishes with loose ends and confusion, the following story assumes the burden.

The wonder spot is another great book from Melissa Bank. Sophie, the main character is interesting and witty, so much so that you're compelled to read on and on to find out more about her life. Much of the book is focused on Sophie's search for Mr Right which leads to why I gave this book 4 stars and not 5.
